Child's last name: _____

Name of KiTa-group: _____

Declaration of consent

(please fill in, if you consent)

Name of child : _____

Name(s) of legal guardian(s): _____

Address of legal guardian(s): _____

The Teddyklinik Mainz is a student initiative of the Medical Faculty of Johannes Gutenberg University Mainz with the aim of taking away children's fear of visiting the doctor. During our consultation hours, we examine their injured cuddly toys together with the children („Teddy-consultation hour“).

The Teddyklinik intends to take photos, video and audio recordings during the Teddy consultation hours for its own marketing purposes and to publish these on the website at <https://www.teddyklinik-mainz.de/> as well as its own social media channels on Instagram (@teddyklinik_mainz) and Facebook (Teddyklinik Mainz). It is also intended to publish them in excerpts for PR purposes within editorial articles in public media (radio and television). The Teddyklinik also shares photos with sponsors, who in turn publish them on their websites and social media channels.

The Teddyklinik is a completely voluntary project, financed only by sponsors. Therefore, we depend on the media to report about the Teddyklinik. Of course we respect if your own child should not be photographed, but we are happy if you support us with a photo permission.

I/We consent to the taking of photographs, video and audio recordings of my/our child during teddy consultation hours for the above mentioned purposes.

I/We also agree that the photo, video and audio recordings will be published in the mentioned framework.

I/We can revoke my/our consent at any time. To do so, I/we send an email to teddyklinik@teddyklinik-mainz.de.
